RE: Healthcare Rally / Save The Date

IMPORTANT

HEALTHCARE RALLY

JUNE 4, 2025

STATE HOUSE ANNEX

131-137 W State Street, Trenton, NJ

12 noon

The Healthcare Coalition of Unions will be gathering on June 4th, 2025 at the State House Annex to protect and protest potential healthcare cost increases. Local 195 is calling on our membership to join your fellow Union Brothers and Sisters to fight against any increases & pass legislation to stop the rising of healthcare costs in New Jersey.

- Since 2022, healthcare premiums for State workers have increases by 40% while local government have seen a 59% compounded increase.
- The premium increases are putting a huge strain on workers & on the healthcare system itself and is a key driver of the affordability crisis in New Jersey.
- We're fighting for legislation to make healthcare more affordable, require fair pricing for healthcare services, and improve the governance and transparency of the plan.
- **ACTION:** Join us on Wednesday, June 4 at 12pm at the State House Annex in Trenton to tell lawmakers that we are united and **STRONG** across the State and across dozens of agencies, workplaces, and unions to fight for affordable healthcare. This is Your Healthcare

Please plan to attend this important rally, call the Local Office if attending.
