Re: Official Local 195 Platforms

It has been brought to the attention of the Local 195 Office that there are several social media platforms masquerading as the official page of Local 195, IFPTE.

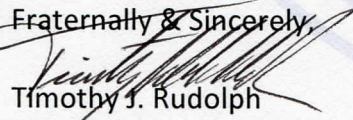

Please note there are only two sites that Local 195 will utilize for posting of any information for its membership. **Those official sites are as follows:**

-  [www.local195.org](http://www.local195.org)
-  <https://www.facebook.com/Local195IFPTE/>

Local 195's website is where pertinent information will be posted to keep you up-to-date. All other social media platforms that post or use the name "Local 195" do not have the authorization from this office to post on its behalf.

Although Local 195 cannot control what is posted on other social media sites, we urge our membership to contact the union office for clarification with any questions or concerns they may have at 800-316-0350.

Thank you for your attention and understanding in this matter.

Fraternally & Sincerely,  
  
Timothy J. Rudolph  
President, Local 195, IFPTE
