

**IT'S TIME TO RE-ELECT
YOUR REPRESENTATIVE ON THE PENSION BOARD!**

TOM BRUNO

Tom is currently the Chairman of the Public Employees' Retirement System Board of Trustees as your State Worker Representative. He is the first PERS Chairman to be asked to testify before the NJ Assembly on behalf of Pension members, and the first to ever litigate a sitting Governor (former Governor Chris Christie) in an effort to secure the state's full pension payment for employee pensions. He is also the first Pension Chair to be interviewed on television to explain the contractual right of public employees to their full pension.

Tom also sits on the State Investment Council and is one of the founding ESG Committee members. His outspoken disdain for hedge funds and their exorbitant fees resulted in the Council reducing the allocation from 12.5%, to 6%, and to the current 3% , saving our pension HUNDREDS of MILLIONS of DOLLARS annually!

Tom has been a staunch advocate for public employees and is now up for re-election. In order to get on the ballot and continue to fight for public workers, ***he needs your help now.*** He needs ***500 nominations of currently working state employees*** before the end of December. The election, if needed, will be in the Spring of 2022.
